

UTAH FILM COMMISSION

The purpose of the Utah Film Commission is to market the entire state as a destination for motion pictures, television and commercial productions by promoting the use of Utah locations, hiring of local film industry professionals and utilizing local support services. The film commission is a client-driven program, which services international, out-of-state production companies, in-state production companies, Utah support services and crew.

Providing Service to Industry Clients

- The Film Commission serves as filming liaison to facilitate appropriate use of Utah locations and support services, and to assemble and process quality information for clients in a timely manner. This includes promotional and resource materials, script breakdowns, digital presentations of locations and crew/support services, and information and assistance with the Motion Picture Incentive Program.

Motion Picture Incentive Program

- The purpose of the Motion Picture Incentive Program is to encourage the use of Utah as a site for the production of motion pictures, television series and made-for-television movies. Utah's natural beauty, scenic wonders and diverse topography provide a variety of magnificent settings from which the motion picture industry can choose to film part or all of a production.
